When is a Kitten truly a Cat ?

Answer: 9months

Also starting, as of this coming show season.....

1/2 Kittens points will carry over at first showing as a cat so you no longer have to wait till the following show season to receive them like you have done.

"Payments to the Catz Inc Bank Account"

When Making any payments into the bank account please use your Membership Number, Full Name & What it is paying for (ie Membership, show...etc.) We are still receiving payments into the account without these details and this is making it hard to know who is paying and what it is for.
