Corporate Services Report 2017

This year has been a very busy year with both Registry and Membership. As the included spreadsheets show, totals to date for 2017 to the 30th September 2017 will have a growth in Registrations.

This year has seen an increase in queries from buyers regarding Bbreeding practice's. All members of Catz Inc must abide by the Code Of Ethics. If you require a copy please email me.

As the old website is down at the moment, online registrations are not available, please contact me for a printed version via email.

Points to note to make the turn around of Registrations, Transfers etc a quicker process please do the following:

1. State the method of payment
2. Credit card payments: please ensure I always have an up to date expiry date
3. Photos of paperwork can be difficult to open. Please send all attachments as PDF's
4. Post codes: please include them on all forms
5. Catz Inc. registration numbers of forms of Catz Inc registered animals
6. Imports: proof of ownership and a 4 Generation pedigree
7. When using a non registered sire please include registration permission from the stud owner and a 4 Generation pedigree

Good Luck to all for the ensuing breeding and showing season.

Regards

Sandi
