National Scorers Report

Being the National Scorer for this year has definitely made me realise the art of juggling. In March of this year I took on full time employment and while I ensured I had adequate days off to give this role a fair shot, at times I did struggle getting results out in time. I will be having a think over the summer as to whether I continue my roll on in 2018.

Please find below final show numbers and breeds. Numbers of exhibits were down on last year by around 30, while popular breeds to be shown include Ragdolls, Maine Coons and Siamese.
