

NEW ZEALAND CAT REGISTRY  
In Pursuit Of Excellence  
Friendship ~ Innovation ~ Integrity

### **Director of Finance Report**

With one show cancelled and all shows at Kumeu except for Karnak, this is one of only a few years that the shows over the year did not have a combined loss. This year we have in fact made \$620 with a couple of invoices still to be paid to Catz Inc. With this formula moving into next year we will be in a very good position to start looking at more overseas judges from all around the world in 2021.

I would like to thank Hannah from TITAN containers for helping keep costs down. I would also like to thank all those judges that donated back or did not claim their fees, travel expenses or meal costs. Without this help we would not be in the position we are in.

With WFC changing the rules on our membership and the change in show expenses WCF has become our largest expense. We have also had to put aside a fund to cover WCF requirements in the future again with the reduced show expenses we are in a position to do this.

Our main income stream is still the registry with Sandi ensuring all items are charged for. This has also resulted in more correct information being sent to the registry for processing as incorrect information costs more to be corrected.

Overall we have had an increase in our finances of \$3,587 made up of our 00 account, WCF fund and paypal account giving us a brighter future.
