Please remember that when paying by Direct to Bank I require a proof of payment accompanying the litter application. If I do not receive this then the litter will wait until the end of the month for processing as I have to wait for the bank statement.

This year there has not been a quiet period cats seem to be breeding all year round.

Remember when selling kittens they must be registered and the transfers done within 21 days or final proof of payment. If sold for breeding they must be registered transferred and an accompanying pedigree.

If any of you have any queries it is advisable to contact me or Fiona Maclean, the General Secretary of Catz Inc.

If you require the genetics chart then just contact me and I can forward to you.

Please ensure that all info required is put on the form or if you cannot do the online form then send an email with all the relevant details.

If you wish to be added to the breeders list then please fill in the form for the webmaster it will come to me and I can check the details, then forward to the webmaster.

For those who are breeding Ragdolls we do not accept any other pattern than pointed mitted and bi-colour. We will not accept any sepia or mink in the Ragdolls.

Also a reminder that you must abide by the code of ethics if you do not have a copy then contact me and I will send it to you.

So thank you to all who follow the proper procedure as it makes my job a lot easier.

Bye

Sandi
