Friendship ~ Innovation ~ Integrity

Director of Strategic Planning

2024

This year I looked into first aid, and the budgets for judges and judge contracts.

We will set a first aid officer for each show and keep who has first aid certificate on file.

First Aid Key Points:

Who has first aid certificates ? Kim Walker, Kim Dunnet-Smith

Set first aid officer prior to each Catz Inc. event

Check first aid kit: check the kit prior to each show and update as appropriate.

Where is it held In the hall? At the Master Clerks table – announce this at the beginning of each show

Some kits could be held in committee members cars to ensure a kit is always available.

Judge Budgets and Contracts Key Points;

Accommodation

Meals

Petrol costs (either to and from venue or to transport site). Includes travel to motels

Travel costs (eg train, aeroplane)

Fees for parking and tolls (where appropriate)

Any special requirements (eg allergies)

What the judging assignment is

The judges host and hostess need all information regarding arrivals and pick up/drop off times for travel not via car)

Some of the reimbursement can only happen once the judge has returned to their home base (eg for parking at an airport).

Next year I will look into advertising for shows and sponsorship.
