Director of Strategic Planning Report

Overview

My name is Kim Walker, and I have proudly been a member of CATZ Inc. for approximately three years. During this time, I have been actively involved in both the breeding and exhibition of Burmilla cats, participating in numerous shows hosted by CATZ.

As a member of the committee, I hold specific responsibilities related to the review and development of the organization's Strategic Plan. I am committed to ensuring that CATZ continues to grow and improve in line with its long-term goals and values.

Key Contributions for the Year

1. **Strategic Planning Oversight**
 - Participated in the ongoing review of the CATZ Strategic Plan.
 - Provided input on updates and adjustments to reflect current organizational needs.
 2. **Health and Safety Initiatives**
 - Investigated first aid provisions at CATZ events to ensure safety standards are met and maintained.
 - Contributed to identifying opportunities for improving on-site first aid preparedness.
 3. **Judges' Experience and Accommodation**
 - Reviewed and assessed the accommodation and overall experience of show judges.
 - Gathered feedback and explored ways to enhance judge engagement and comfort during events.
 4. **Sponsorship and Partnerships**
 - Supported food sponsorship initiatives through collaboration with Masterpet.
 - Helped secure resources that contribute to the success and hospitality of CATZ events.
 5. **Show Operations**
 - Actively worked as a show clerk, supporting the smooth execution of cat shows.
 - Assisted with administration and coordination during events.
