# Director of Finance Report

Our shows are now getting back on track with more overseas judges. Using the Kumeu venue has helped minimize the losses. With the increasing show costs without increasing the entry fee to cover this, our bank balance has raised only by $766.25 this year with the registry covering the show-related losses.

At this time, the Director of Finance has not proposed a membership cost increase this year.

A big thank you to all the members that have been using the correct references on their payments.
For others, a reminder: It is essential to include a clear reference when making payments to ensure your payments are accurately processed. Please specify what you are paying for and send confirmation to the correct person. If the name on your bank account differs from who the payment is for, be sure to include the name of who the payment is for in the reference. We continue to receive unclear payment references, which can cause delays.

Examples

| **Reason for payment** | **Reference** |
|---|---|
| For a may show entry | smith may show entry |
| For membership | smith membership |
| For litter registration | smith litter reg |

Here is an example of what we are getting from some members
Kitten transfers for smith

| | **Reference** |
|---|---|
| Paid by jones | memship trans show |

Since banks no longer provide the account numbers payments come from, if you require a refund, please email your account number and the reason for the refund to Finance@catzinc.org. Refunds will be processed after confirming eligibility.

With the passing of Sandi I had to pick up where she stopped, this was quite difficult as Sandi had a lot of knowledge and did things her way. I would like to thank Alecia to stepping in for the registry (and by default membership at this stage). Alecia will be able to process credit cards and will hold the credit card numbers. Please email finance@catzinc.org if you do not want your card details held.

I'd like to take this opportunity to acknowledge and thank the volunteers who assist in setting up and taking down the shows, as well as those who help in other ways. Your contributions are greatly appreciated.

Additionally, we value and thank our show sponsors for their ongoing support.
