NEW ZEALAND CAT REGISTRY
In Pursuit Of Excellence
Friendship ~ Innovation ~ Integrity

Director of Judges

I am delighted to furnish my first report for the AGM having been in the position only literally for a few days!

Many people in the cat world will know me, after judging for over 34 years there are not too many people that I have not crossed paths with!

I am based in Rotorua but travel quite often for shows and other non cat events.

Feel free to look up my bio on the website, but many know our current passion is with Templecats and of course our long obsession with Birmans dating back to 1984.

I would love to see more CATZinc judges on the judging panel and will do my upmost to train, support and guide prospective judges in future.
